Hi Joy,

Great lists you have compiled, Joy. I would think you might want to include the Norwegian-American Genealogical Center and Naeseth Library in Madison. They have a lot of Norwegian research sources. Their new Executive Director, Dana Kelly, is a real-go getter. Her email address is:

danakelly@nagcnl.com Her husband is the President of the Koshkonong Prairie Historical Society. I'm sure both organizations would like the Stevne participants to visit their Library.

Robert Fossum Added:

Joy,

We must also contact the Center for the Study of Upper Midwest Culture whose exec director is Anne Rue. Here is the web address:

and her webpage:

Also Koshkenong Historical Society at

Marg Listug at Livsreise is a good contact:

marg@norwegianheritagecenter.org

Also the NAGC has a new Senior Researcher, Michael Knutson. We should ask him to give a talk—perhaps to explain what is available at NAGC.

I am on the board at NAGC and can help with any communication.

There is a lot of other attractions in the Madison area—but you have gotten a lot of them.
