for the
Nord Hedmark og Hedemarken Lag

(call numbers from the UW-Madison Library collection)

Many of these resources listed below belong to Nord Hedmark og Hedemarken Lag. Others are available to be checked out from the UW–Madison library. We always bring the most-used and potentially most generally useful resources to each Stevne but it is not practical for us to bring everything. If an attendee requests in advance of the Stevne that we bring a specific book or map, we'll do our best accommodate that request. Please contact Dixie Hansen at dx@dxhansen.com if there is a resource you specifically would like to have available.
