Full Cancellations related to illness (not included on list above): Dorothy Zimmerman, Jeanne Engelsmeier, Steven Ask, Mary Baumgartner  
They have been or will be refunded except when they told us they did not want a refund.

There were also at least 2 other individuals who had paid for a banquet ticket but notified us that they were leaving before the banquet. No refund was requested. (I resold one reserved spot and let the daughter of another registrant use the other one). I think there was at least 1 other person who paid for the banquet, but ultimately did not attend (perhaps more). I'm not sure what the final count of meals served was, but that will be shown on the hotel bill. We will pay for, at minimum, the count we gave them on 8/3/22.

The 4 "no shows" indicated on the list above were each 1-day-only-registrants for Friday only (\$15 each) who did show and did not notify us. No refund planned.
